

To Whom It May Concern:

On April 17, 2010, the Nashville Junior Chamber will be hosting the 11th annual Ragin' Cajun Crawfish Boil at Riverfront Park to raise money for the Boys & Girls Clubs of Middle Tennessee and NJC Charities. With the help of the Nashville area business community, our goal this year is to raise a minimum of \$50,000.

Every year, the Boys & Girls Clubs of Middle Tennessee offer young people a comprehensive range of programs to help them realize their full potential as productive, responsible and caring citizens. This year, we'd like to show the Boys & Girls Clubs, the Nashville youth, and other local worthy causes that we want to do more; but we cannot do it without the help of companies like yours.

In exchange for your donation, we want to give you an opportunity to gain visibility for your company and encourage you and your employees to join us for one of Nashville's most popular events. Imagine large pots of homemade gumbo, jambalaya, 4,000 pounds of boiled crawfish, great music, and over 1,500 fellow Nashvillians!

We hope that your company can support our event through in-kind or cash donations. Any amount of support that you could give us would be appreciated. If you are looking for more visibility at the event, we would be happy to speak with you about exclusive signage and promotion opportunities.

We look forward to hearing from you and seeing you at this year's event!
